Entering the 100 N. Tampa Garage

Our building's parking garage can only be entered by driving southbound on N. Tampa Street. The entrance is a half-block south of Jackson Street, immediately past the parking garage for the Bank of America building. You will make a right turn immediately after the Bank of America garage and turn into the short one-way street between that garage and our building. The ramp for our building will be on the left-hand side and is marked as parking for 100 N. Tampa. Go up the ramp to the fourth floor, take a ticket, and park in any unreserved spot. Bring your ticket with you to our office so that we can validate it.
